

ACADEMIC YEAR 2018-2019

SNo	Activities	Date-Month-Year	Details of Participants	Details of Resource Person(s)/ Guest
1.	National Science Day - 2018	28/2/2018	First year/ second sem. Students	Dr. Manjunatha Pattabi, Professor and Chairman, Department of Materials Science, Mangalore University, Mangalagangothri.

The event organized by the Physics Department of the college, kicked off with a special lecture by Dr. Manjunatha Pattabi, Professor and Chairman, Department of Materials Science, Mangalore University, on “Thin films: Microelectronics to Transparent Electronics”. The participants mainly were Electronics & Communication Engineering and Mechanical Engineering students. Later in the evening, while addressing the general audience, the chief guest of the function, Dr. Manjunatha Pattabi, stressed the need to take up research for the betterment of the society. While narrating anecdotes from Sir C.V. Raman’s life, the man, in the honour of whose discovery the NATIONAL SCIENCE DAY is being celebrated, he emphasized on the need of an honest and truth seeking research without bothering for the awards and accolades. The President of the function, Sri Ravikrishna D. Kallaje , Director, VCET-GC, advised the students to study and get inspired from the Indian scientific tradition and contribute to the society. The formal function began with the invocation by Kum. Samnvi and Kum. Nishkala, followed by the welcome address by Dr. Mahesh K K, Professor and Head, Department of Basic Science. The importance and history of National Science Day was eloquently explained by Prof. Thejaswini L.P. Prof. Jaya Pai proposed the vote of thanks. Sri Sathish Rao P., President, VCET-GC, Sri T.S. Subramanaya Bhat, Director, VCET-GC and HoD’s of various departments were also present at the event. The MC was skillfully handled by Ms. Krithika and Ms. Mahima Dimple of 2nd Sem.

2.	Picnic day 2018	03-03-2018	First year Students	First year Students and FY Faculty
----	-----------------	------------	---------------------	------------------------------------

The mind gets stressed and strained because of the intense study without any break. In order to reduce the pressure and tension a picnic was planned to provide students with the chance to get rejuvenated with the fun and frolic, and recharge them for their academic schedule life.

3rd of March 2018 was a very memorable day for our 132 students of First year B.E. Accompanied by a group of staff, the students had a day out at GRS Fantasy Park, Mysuru en-route visiting Harangi backwaters. The day was a witness to a lot of fun games, water rides, music, dancing and above all viewed a bond developing between students across sections, also with the staff.

In a nutshell, the day was full of joy and contentment, left the group desiring for more such outings.

4.	Swachh-VCET Abhiyan	06-04-2018	Faculties and First year B.E students	Dr. Ramachandra Bhat , Oscar Anand , VCET Governing Council Members, Campus Director and Principal

In combined aegis of Departments of Physics, Chemistry, Mathematics, and Humanities, we organized Swachh Bharat Abhiyan (SBA), a campaign in India that aims to clean up the streets, roads and infrastructure of India's cities, smaller towns, and rural areas. The campaign was officially launched on 2nd October 2014 at Rajghat, New Delhi by Prime Minister Narendra Modi. It is India's largest cleanliness drive to date with 3 million government employees, school students, and college students from all parts of India participating in 4,041 statutory cities, towns and associated rural areas. During the Swachh VCET Abhiyan all the First year students, faculty and office staff joined hands by forming small groups and cleaning in and around the campus. Refreshment for all the participating students and staff was also arranged by FY association.
