6.	National Science Day - 2022	28/02/2022	First Year and Second Year B.E Students	1. VCET Governing Council, 2. Principal, VCET

In combined aegis of Departments of Physics, Chemistry, Mathematics, and Humanities, in association with ISTE-VCET chapter VCET organized National Science Day – 2022 on 28th February 2022 at Sri Ramasabha Bhavana. “Ideathon”, a competition for sharing Startup Ideas on the Theme *‘Integrated Approach in Science & Technology for a Sustained Future’* was organized during the occasion, for 1st and 2nd year BE students of VCET. The aforesaid theme was given by the government of India to celebrate the National Science day 2022. The purpose of the competition was to develop solution oriented thinking in the students in their early stage of Engineering. The competition was followed by the Prize distribution ceremony. Sri Ravikrishna D. Kallaje, Director, Governing Council, VCET, Puttur was the President of the program. Sri T S Subrahman Bhat, Correspondent, Governing Council, VCET, Principal Dr. Mahesh Prasanna K, graced the occasion. Students who won the prizes in National Mathematics day 2022 and Ideathon competitions were honored with the prizes.

The whole formal program was conducted by 1st year B.E. students. Kum. Ananya K, and Sri. Akash P, were the masters of the ceremony. The program started with the invocation from Kum. Harshithashree and Kum. Prajnashankari M N, respectively. Kum. Arpitha, welcomed the gathering. Kum. Sakshishetty P, presented the significance of Sir. C.V. Raman’s contribution to the world of science and so the relevance of the celebrations. Sri. Supreeth, announced the prizes of both National Mathematics Day and Ideathon competitions. Sri. Nipun, rendered the ‘Vote of thanks’ and it was followed by National Anthem. Under the guidance of Prof. M. Ramananda Kamath, HoD Department of Basic science, the program was coordinated by Mr. Sunil K C, Dept of Physics with the involvement and contribution of all fellow colleagues and students.

5.	FIRST YEAR PARENTS TEACHER MEETING	04-02-2022	Faculties and Parents of first year B.E. students.	Governing Council members and Principal, VCET, Puttur

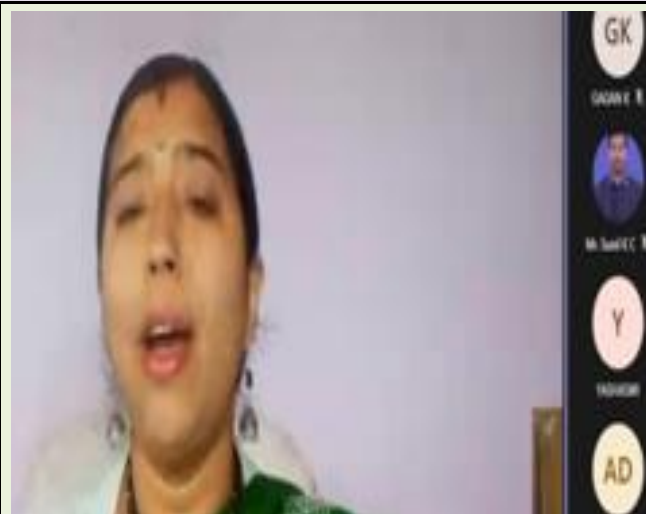

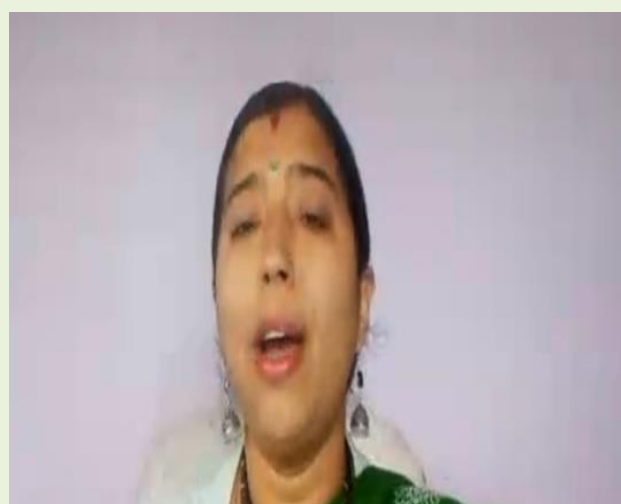

In combined aegis of Departments of Physics, Chemistry, Mathematics, and Humanities organized Parents–Teachers meeting of first year B.E. on 04-02-2022, Friday in association with Parent Relation Cell, VCET, Puttur. The meeting had begun with the registrations and followed by the formal function in Sri Rama Sabhabhavana Seminar Hall, Sudarshana Block at 2:00 PM. The main purpose of the meet was to create a common platform where parents and teachers have a positive communication for the all-round development of the student and achieve targets of effective education. The introductory speech was done by Prof. M. Ramananda Kamath, Head, and Department of Basic Science. Prof. Shwethambika P, Chief. Coordinator, Parent Relation Cell briefed about the roles and responsibility of Parent Relation Cell.

During Parents- Governing Council members interaction, Dr.Mahesh Prasanna K, Principal, VCET, had satisfactorily answered all the queries asked by the parents. President of the function Sri.T Subhramanya Bhat, Correspondent, Governing Council, and VCET highlighted the need for students to improve their communication skills, practical knowledge and grab the opportunities that come their way. Later student’s mentor attended each ward and their parent. Prof. Sunil K C, Assistant Professor, Department of Physics had welcomed the gathering. Prof. Shreesharanya U R, Coordinator Parent Relation Cell proposed vote of thanks. Prof. Thejaswini L P, Assistant Professor, Department of Physics was the master of ceremony.

4.	Webinar on “Swami Vivekananda- The maker of Modern India”	29-01-2022	Faculties and First year B.E students	Smt. Sneha Damle, Coordinator Student Outreach Program Disha Bharat, NGO, Bangalore

In combined aegis of Departments of Physics, Chemistry, Mathematics, and Humanities the webinar was organized by in association with institution Parent Relation Cell for FY dept as a part of Azadi ka amritmahotsav celebrations and Vivekananda Jayanthi-22. Prof. Latha Mohan Shetty, Assistant Professor, Department of Basic Science introduced the guest to the audience. Prof. Madhavi R Pai, Assistant Professor, Department of Basic Science welcomed everyone to this resource session. Resource person explained how swami Vivekananda influenced the life of great personalities by his living style. The importance of Patriotism, truth, hold to our mother culture, attitude of Service was explained in the session. The work of Swami Vivekananda in encouraging youth towards self empowerment was clearly explained. The need of courage to face the problems in life was clearly stressed. Finally, concluded by saying that “Arise, awake and stop not till the goal is reached”. The whole program was smoothly coordinated by Prof. Shwethambika P, Chief-Coordinator, Parent Relation Cell, VCET, Puttur who rendered vote of thanks at the end of the program. Prof. Sunil K C was the Master of ceremony. The program went well with the involvement and contribution of all fellow colleagues.

3.	National Mathematics Day - 2021	22/12/2021	B.E Students	Dr Mahesh Prasanna K, The Principal, VCET

In combined aegis of Departments of Physics, Chemistry, Mathematics, and Humanities, celebrated National Mathematics Day on 22nd December 2021 by conducting various competitions to B.E. students like Power Point Presentation, Pencil Sketch-Portrait, and Collage making at Sri Ramasabha Bhavana, Sir M Visvesarayya Hall and Homi J Baba Hall, VCET. Dr Mahesh Prasanna K, The Pricipal, VCET graced the occasion. Power Point Presentation included the themes like Great Indian Mathematicians, Vedic Mathematics and Interesting facts in Mathematics. The first prize won by Rajashree of 3rd semester Computer Science and Engineering and the second prize was won by Vidhisha V Bhat of 3rd semester Electronics and Communication engineering. The theme of Pencil Sketch-Portrait was Great Mathematicians. The first prize won by Divyashree S of 5th semester Electronics and Communication engineering and the second prize won by Seema K of 5th semester Computer Science and Engineering .The Collage making competition was a team event consisting of two participants with the theme named Mathematics in Everyday Life. The first prize grabbed by team of Yashwitha M and Shrutha Jain of First year 'D' section and second prize by G Ashwath Kumar and Hemanth N M of 3rd semester Artificial Intelligence and machine Learning. Under the guidance of Prof. M. Ramananda Kamath, HoD Department of Basic science, the program was coordinated by Prof Nayana P, Dept of Mathematics with the involvement and contribution of all fellow colleagues.

2.	Student Induction Programme VCET - Vikasana	14/12/2021 to 11/02/2022	First Year B.E Students- Semester First	<ol style="list-style-type: none"> 1. Principal , VCET 2. Ms. Preethi Shenoy, Renowned Counsellor, It's OK Platform. 3. Prof Vandana Shankar and Guyton Lobo, VCET 4. Dr. Manujesh B J , HoD, VCET 5. Final Year Students & Pre Final Year Students 6. Latha Mohan Shetty, VCET

In combined aegis of Departments of Physics, Chemistry, Mathematics, and Humanities, VCET organized Student Induction Program. Purpose of the Student Induction Program is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration. VCET Vikasana 2021 Program started with a resource session “Engineering-A Different Journey” by Final Year Students. Two hours counseling session was arranged for the newly joined B.E students by the Department of Basic science in association with the Grievance Redressal Cell and Parent Relation Cell inVCET. The resource person for the above sessions was Ms. Preethi Shenoy, Renowned Counsellor, It’s OK Platform. The next session was engaged by Prof Vandana Shankar and Guyton Lobo Placement dept. “Hands On” sessions were arranged for first year B.E. students. The software sessions were engaged by Pre Final Year Students and the Hardware session was Dr. Manujesh B J, HoD, and VCET. Finally the session was concluded by English Literary Competitions like Extempore speech and debate followed by Prize distribution. The overall programme was guided by Prof. M. Ramananda Kamath, HOD, and Department of Basic Science and was planned by Mrs. Shwethambika.P, Mrs. Madhavi R Pai and Mr.Sunil K C and executed by Mrs Latha Mohan Shetty, Mrs. Nayana P and Ms. Shreesharanya U R with the involvement and contribution of all fellow colleagues.

1.	Online Student Induction Programme VCET CONNECT	13/09/2021 to 12/10/2021	First Year B.E Students- Semester First	All the Governing Council Members of VCET

In combined aegis of Departments of Physics, Chemistry, Mathematics, and Humanities, "VCET Connect-2021" was initiated as a part of Student Induction Programme for newly joined First year B.E. students of Academic year 2021-22 from the department of Basic Science. Nearly, 1.5 hours live sessions were conducted in all the working days since 13th September till 12 October 2021. The inaugural session was resourced by Mr. Pradeep Kote, Head-Talent Acquisition, TCS, Karnataka, who had delivered a lecture on "A Journey from the Campus to the Corporate". The session included bridge Course on Mathematics everyday conducted by Prof. Madhavi R Pai, which included the contents encapsulating ice breaking sessions and fundamental of mathematics required for Engineering. Each day, the event also included resource sessions from the senior students of the institute on various topics which they learnt and practiced at VCET. The details of the same are furnished with the report. The sessions were organized and hosted by Prof. Shwethambika.P. and Madhavi R Pai. The resource sessions by the students were well received by all the stake holders of the institute. As per the guidance of honourable Principal Dr. Mahesh Prasanna K., the team also launched a YouTube channel "VCET Connect-21", which includes all the recorded videos of the resource sessions. The event was convened by Prof. M. Ramananda Kamath, HOD, Department of Basic Science and supported by all the faculties of the department for the smooth conduction of the event. The orientation Programme received a good response with the 150 participants every day. The students who had given resource session were recognized by esteemed members of Governing Council and Principal. As a token of appreciation, the students were awarded with appreciation certificates from the esteemed management members on 12th October 2021. The overall programme was coordinated by Mrs. Madhavi R Pai and Mrs. Shwethambika.P with the involvement and contribution of all fellow colleagues.
