Workshop on "Arduino Programming, Embedded Systems, NodeMCU and Web Designing"

Gautam Shankar N, Jagrathi J Nayak, Divyashree S and K Praneeth Ballakuraya of 5th sem ECE students, secured 1st place in the Workshop on "Arduino Programming, Embedded Systems, NodeMCU and Web Designing" organized by PACE Mangalore on account of IEEE Day, held on 07/10/2021.

PROGRAMMING COMPETITION USING PYTHON SIGPY

The Department of Electronics and Communication Engineering in association with AECE organized "Programming Competition using Python SIGPY" on 26/12/2021. Total 20 students of third year ECE participated in the event. Event winners were decided based on the maximum number questions solved with correct logic. Event Winners: Ms. Divyashree S and Mr. Praneeth B of 5th sem ECE secured 1st and 2nd prize respectively.

ONE-DAY INTRA-COLLEGE EVENT ELECTECHX

A one-day intra-college event "ElecTechX" was organized by IEEE student branch, Department of ECE, VCET, Puttur on 29/12/2021. Total 27 teams had registered and more than 80 students of second and third year ECE had participated in the events like "TranQUIZ", "Circuitrix", "One min Jam" and "Runtime Terror".

INDUSTRIAL VISIT - Bangalore International Exhibition Center

The Department of ECE has organized an Industrial visit to the Bangalore International Exhibition center at Bengaluru, held on 16th December 2021. It is an exhibition named "Electronica India-2021", an international trade fair for electronic components, systems, application and solution. There were 56 students from ECE visited exhibition with three faculties. Electronica gave information about latest technologies that are present in India in the field of electronics, exposure to how the corporate world is, and also internship opportunities in well-developed companies.

PROJECT PAPER OF FINAL YEAR STUDENTS HAS GOT SELECTED IN INTERNATIONAL JOURNAL IRJET

A project paper of final year students Karthik Prasad, Madhava Raj B, Gokulnath S and Sanjan Govind K has got selected in international journal IRJET with a title as "Deep learning assisted tool for face mask detection", Volume-9, issue-1, Jan 2022, e-ISSN: 2395-0056, under the guidance of Mr. Shivaprasad.

VISION

To produce comprehensively trained, innovative, technically competent, creative and socially responsible engineers contributing to nation's imprint on the world stage.

MISSION

M1: Establish a unique academic environment to enable the students to face the challenges of the electronics and communication engineering field.
M2: To impart quality education on par with industry requirements through state of art infrastructure, highly qualified and competent faculty.
M3: Build cutting edge technology hub adding to understudies making progress
M4: To collaborate association with government, industry, society, alumni to promote entrepreneurship
M5: Develop student centric methodology by creative teaching-learning environment

STUDENT ACTIVITY

A pre-placement preparation for Maventic was conducted by Mr. Ajay Kumar, Senior Software Developer, Maventic with an objective to prepare the students for Maventic placement drive. Session was conducted for final year students of ECE Dept., on 7th October 2021, through Microsoft teams. A brief introduction was given on how to prepare for Maventic Placements and resource person briefed about the number of rounds and type of questions which will appear for the drive. The event was organized by Dept. of ECE and Coordinated by Mr. Suhandas, Placement Coordinator, ECE Dept. VCET Puttur.

A pre-placement preparation for Infosys was conducted by Mr. Mohammed Niyaz, Team Lead, Infosys Mangalore with an objective to prepare the students for Infosys final Interview. Session was conducted for first round shortlisted students of Infosys across the branch (ECE, CSE, ME and CV) on 16th October 2021, through Microsoft teams. Recourse person briefed and guided, about how the students should prepare for the final Infosys interview. The event was organized by Dept. of ECE and Alumni Cell. Coordinated by Mr. Suhandas, Placement Coordinator, ECE Dept. VCET Puttur.

A pre-placement preparation for Sasken was conducted by Mr. Rohit B L, System Software Engineer, Sasken with an objective to prepare the students for Sasken placement drive. Session was conducted for final year students of ECE Dept., on 21st October 2021, through Microsoft teams. A brief introduction was given on how to prepare for Sasken Placements and resource person briefed about selection rounds and type of questions which would appear for the drive. The event was organized by Dept. of ECE and Alumni cell. Coordinated by Mrs. Sowmya Anil, Placement Coordinator, ECE Dept. VCET Puttur.

A pre-placement preparation for KPIT was conducted by Ms. Kavitha M, Technical Graduate Trainee, KPIT with an objective to prepare the students for KPIT placement drive. Session was conducted for final year students of ECE Dept., on 29th October 2021, through Microsoft teams. A brief introduction was given on how to prepare for KPIT Placements and resource person briefed about selection rounds and type of questions which would appear for the drive. The event was organized by Dept. of ECE and Coordinated by Mr. Suhandas, Placement Coordinator, ECE Dept. VCET Puttur.

The Department of Electronics and Communication Engineering organized a workshop on **“Introduction to Arduino Programming”** to 3rd sem students on 14th December 2021 by Mr. Suhandas and Mr. Shreyas H, Asst. Prof. Dept. of ECE. The Workshop included topics related to Arduino Programming and TinkerCad online simulation tool

IIoT Lab in association with Dept. of ECE organized one day workshop on **“Introduction to IIoT and its Applications”** to 3rd sem students on 21st December 2021 by Mr. Gurusandesh M, Mr. Mahabaleshwara Bhat, Mr. Shivaprasad, Mr. Naveen and Mr. Akshay Asst. Prof. Dept. of ECE.

ECL-2021

The Department of Electronics and Communication Engineering in association with Association of Electronics and Communication Engineering organized a ECL-2021 (cricket and lagori) for ECE students on 11/12/2021. Total 4 teams were participated in cricket and lagori events.

PARENTS MEET

The Department of Electronics and Communication Engineering in association with Parent Relation Centre cell organized Parent-Teacher meet on 2nd February 2022 Ms. Rajani Rai B, Department coordinator, PRC, briefed the objectives of the PRC cell, its functioning and the importance of the Parent-Teacher meeting. Prof. Shrikanth Rao, HOD, EC Department addressed the parents and informed the rules and regulations of the college. Ms. Lakshmi Bhat, PRC parent representative of 2nd year spoke to the audience about the role of the parents in the overall success of their children. 32 parents, class advisors and student counsellors attended the meeting.

TECHNICAL TALK

IEEE VCET student branch in association with Department of Electronics and Communication Engineering, VCET Puttur organized a webinar on **“Embedded Hardware Design and Manufacturing Overview and Insights”** on 3rd December 2021. This Webinar was conducted by Ms. Vinymol Thambi, Technical Manager at Velankani Electronics Pvt. Ltd.

ALUMNI WEBINAR SERIES

The Department of Electronics and Communication Engineering in association with Alumni Cell organized an Alumni Webinar on **“Grooming on Interviews for Carrier Aspirants”** on 27th August 2021. The session was conducted by alumnus Mrs. Kavyanjali H M, Software Engineer, GE Transportation, Bangalore. There were 40 participants from prefinal year of Electronics and Communication Engineering department of VCET. Coordinated by Mrs. Nisha G R, Alumni Coordinator Dept. of ECE

The Department of Electronics and Communication Engineering in association with Alumni Cell organized an Alumni Webinar on **“VLSI industry overview”**. The session was conducted by alumnus Mr. K. Pramod Baliga, MTS Silicon Design Engineer, AMD (Advanced Micro Devices) Bangalore held on 13th January 2022. There were 50 participants from pre final year ECE. Coordinated by Mrs. Nisha G R, Alumni Coordinator Dept. of ECE.

The Department of Electronics and Communication Engineering in association with Alumni Cell organized an Alumni Webinar on **“Career in Electronics”** on 15th December 2021 for pre-final year students. The session was conducted by alumnus Mr. Dileep Kudva, Senior Verification Engineer, Dialog Semiconductor Renesas Company, US. Coordinated by Mrs. Nisha G R, Alumni Coordinator Dept. of ECE.

The Department of Electronics and Communication Engineering in association with Alumni Cell organized an Alumni Webinar on **“Career in VLSI and Embedded System Design”** on 22nd January 2022 for final year students The session was conducted by alumnus Mr. Dileep Kudva, Senior Verification Engineer, Dialog Semiconductor Renesas Company, US. Coordinated by Mrs. Nisha G R, Alumni Coordinator Dept. of ECE.

VIRTUAL ALUMNI MEET 2021-2022

The Department of Electronics and Communication Engineering in association with Alumni Cell organized a Virtual Alumni meet 2021-2022, for the batches from 2005 to 2020. The meet was held from 05-01-2022 to 11-01-2022. Overall, 160 alumni's participated in the meet, and expressed their views. Coordinated by Mrs. Nisha G R, Alumni Coordinator Dept. of ECE, VCET, Puttur
